Assembly Bill No. 81

CHAPTER 76

An act to amend Section 48850 of the Education Code, relating to interscholastic athletics.

[Approved by Governor August 5, 2009. Filed with Secretary of State August 6, 2009.]

LEGISLATIVE COUNSEL’S DIGEST

AB 81, Audra Strickland. Interscholastic athletics: pupils in foster care.

Existing law recognizes that the California Interscholastic Federation is a voluntary organization that consists of school and school-related personnel with responsibility for administering interscholastic athletic activities in secondary schools.

Existing law expresses the intent of the Legislature to ensure that all pupils in foster care and those who are homeless, as defined, have a meaningful opportunity to meet the challenging state pupil academic achievement standards to which all pupils are held and that, in fulfilling their responsibilities to these pupils, educators, county placing agencies, care providers, advocates, and the juvenile courts shall work together to maintain stable school placements and to ensure that each pupil is placed in the least restrictive educational programs, and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all pupils.

This bill would require that a foster child who changes residences pursuant to a court order or decision of a child welfare worker be immediately deemed to meet all residency requirements for participation in interscholastic sports or other extracurricular activities.

The people of the State of California do enact as follows:

SECTION 1. Section 48850 of the Education Code is amended to read:

48850. (a) (1) It is the intent of the Legislature to ensure that all pupils in foster care and those who are homeless as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 11301 et seq.) have a meaningful opportunity to meet the challenging state pupil academic achievement standards to which all pupils are held. In fulfilling their responsibilities to these pupils, educators, county placing agencies, care providers, advocates, and the juvenile courts shall work together to maintain stable school placements and to ensure that each pupil is placed in the least restrictive educational programs, and has access to the academic resources, services, and extracurricular and enrichment activities that are available to
all pupils, including, but not necessarily limited to, interscholastic sports administered by the California Interscholastic Federation. In all instances, educational and school placement decisions must be based on the best interests of the child.

(2) A foster child who changes residences pursuant to a court order or decision of a child welfare worker shall be immediately deemed to meet all residency requirements for participation in interscholastic sports or other extracurricular activities.

(b) Every county office of education shall make available to agencies that place children in licensed children’s institutions information on educational options for children residing in licensed children’s institutions within the jurisdiction of the county office of education for use by the placing agencies in assisting parents and foster children to choose educational placements.

(c) For purposes of individuals with exceptional needs residing in licensed children’s institutions, making a copy of the annual service plan, prepared pursuant to subdivision (b) of Section 56205, available to those special education local plan areas that have revised their local plans pursuant to Section 56836.03 shall meet the requirements of subdivision (b).
