AN ACT

To amend and reenact R.S. 17:238 and to enact Part III of Chapter 7 of Title 17 of the Louisiana Revised Statutes of 1950, to be comprised of R.S. 17:1915, relative to the placement in school and education of certain children; to require the governing authority of each public elementary and secondary school to enact a policy ensuring that children in foster care may remain enrolled in certain schools; to require that such governing authorities and the Department of Social Services provide transportation to and from school for certain children in foster care under certain circumstances; to provide for the authorization of the state to join and ratify the Interstate Compact on Educational Opportunity for Military Children; to provide for an effective date; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 17:238 is hereby amended and reenacted and Part III of Chapter 7 of Title 17 of the Louisiana Revised Statutes of 1950, comprised of R.S. 17:1915 is hereby enacted to read as follows:

§238. Education of children having no permanent address, certain abandoned children, and children in foster care

A. Notwithstanding any provision of law or regulation to the contrary, the governing authority of each city and parish public elementary and secondary school board shall establish a policy to provide for the placement in school and for the education of any child temporarily residing within the jurisdiction of the board who
has no permanent address, who has been abandoned by his parents, or who is in foster care pursuant to placement through the Department of Social Services.

B. No governing authority of a public elementary or secondary school shall deny enrollment in school to any child solely because the child has no permanent address, because the child has been abandoned by his parents, or because the child is in foster care pursuant to placement through the Department of Social Services; however, nothing in this Section shall require the enrollment of any child not permitted by another school system to attend school, either permanently or temporarily, as a result of disciplinary actions.

C. The governing authority of each public elementary and secondary school shall establish a policy to ensure that a child who is in foster care pursuant to placement through the Department of Social Services shall be allowed to remain enrolled in the public school in which the child was enrolled at the time he entered foster care if the Department of Social Services determines that remaining in such school is in the best interest of the child. If the foster care placement is outside the jurisdictional boundaries of the public school in which the child is enrolled, the governing authority of such school shall be responsible for providing free transportation for the child to and from a designated location which is within that school district and is located nearest to the child's residence and is determined to be appropriate by such governing authority and the Department of Social Services. The Department of Social Services shall be responsible for providing the child's transportation between that location and the child's residence.

**ARTICLE IV**

**EDUCATIONAL RECORDS & ENROLLMENT**

A. Unofficial or "hand-carried" education records. In the event that official education records cannot be released to the parents for the purpose of transfer, the custodian of the records in the sending state shall prepare and furnish to the parent a complete set of unofficial educational records containing uniform information as
determined by the Interstate Commission. Upon receipt of the unofficial education
records by a school in the receiving state, the school shall enroll and appropriately
place the student based on the information provided in the unofficial records pending
validation by the official records, as quickly as possible.

B. Official education records/transcripts. Simultaneous with the enrollment
and conditional placement of the student, the school in the receiving state shall
request the student’s official education record from the school in the sending state.
Upon receipt of this request, the school in the sending state will process and furnish
the official education records to the school in the receiving state within ten (10) days

receiving state, regardless of age. A student transferring after the start of the school
year in the receiving state shall enter the school in the receiving state on their
validated level from an accredited school in the sending state.

ARTICLE V

PLACEMENT & ATTENDANCE

A. Course placement. When the student transfers before or during the school
year, the receiving state school shall initially honor placement of the student in
educational courses based on the student's enrollment in the sending state school
and/or educational assessments conducted at the school in the sending state if the
courses are offered. Course placement includes but is not limited to Honors,
International Baccalaureate, Advanced Placement, vocational, technical and career
pathways courses. Continuing the student's academic program from the previous
school and promoting placement in academically and career challenging courses
should be paramount when considering placement. This does not preclude the school
in the receiving state from performing subsequent evaluations to ensure appropriate
placement and continued enrollment of the student in the course(s).

B. Educational program placement. The receiving state school shall initially
honor placement of the student in educational programs based on current educational
assessments conducted at the school in the sending state or participation/placement
in like programs in the sending state. Such programs include, but are not limited to
gifted and talented programs and English as a second language (ESL). This does not
preclude the school in the receiving state from performing subsequent evaluations
to ensure appropriate placement of the student.

C. Special education services. In compliance with the federal requirements
of the Individuals with Disabilities Education Act (IDEA), 20 U.S.C.A. Section 1400
et seq, the receiving state shall initially provide comparable services to a student with
disabilities based on his/her current Individualized Education Program (IEP). In
compliance with the requirements of Section 504 of the Rehabilitation Act, 29
U.S.C.A. Section 794, and with Title II of the Americans with Disabilities Act, 42
U.S.C.A. Sections 12131-12165, the receiving state shall make reasonable
accommodations and modifications to address the needs of incoming students with
disabilities, subject to an existing 504 or Title II Plan, to provide the student with
equal access to education. This does not preclude the school in the receiving state
from performing subsequent evaluations to ensure appropriate placement of the
student.

D. Placement flexibility. Local education agency administrative officials
shall have flexibility in waiving course/program prerequisites, or other preconditions
for placement in courses/programs offered under the jurisdiction of the local education agency.

E. Absence as related to deployment activities. A student whose parent or legal guardian is an active duty member of the uniformed services, as defined by the compact, and has been called to duty for, is on leave from, or immediately returned from deployment to a combat zone or combat support posting, shall be granted additional excused absences at the discretion of the local education agency superintendent to visit with his or her parent or legal guardian relative to such leave or deployment of the parent or guardian.

ARTICLE VI

ELIGIBILITY

A. Eligibility for enrollment.

1. Special power of attorney, relative to the guardianship of a child of a military family and executed under applicable law shall be sufficient for the purposes of enrollment and all other actions requiring parental participation and consent.

2. A local education agency shall be prohibited from charging local tuition to a transitioning military child placed in the care of a non-custodial parent or other person standing in loco parentis who lives in a jurisdiction other than that of the custodial parent.

3. A transitioning military child, placed in the care of a non-custodial parent or other person standing in loco parentis who lives in a jurisdiction other than that of the custodial parent, may continue to attend the school in which he/she was enrolled while residing with the custodial parent.

B. Eligibility for extracurricular participation - State and local education agencies shall facilitate the opportunity for transitioning military children’s inclusion in extracurricular activities, regardless of application deadlines, to the extent they are otherwise qualified.
ARTICLE VII

GRADUATION

In order to facilitate the on-time graduation of children of military families, states and local education agencies shall incorporate the following procedures:

A. Waiver requirements. Local education agency administrative officials shall waive specific courses required for graduation if similar course work has been satisfactorily completed in another local education agency or shall provide reasonable justification for denial. Should a waiver not be granted to a student who would qualify to graduate from the sending school, the local education agency shall provide an alternative means of acquiring required coursework so that graduation may occur on time.

B. Exit exams. States shall accept exit or end-of-course exams required for graduation from the sending state, national norm referenced achievement tests, or alternative testing, in lieu of testing requirements for graduation in the receiving state. In the event the above alternatives cannot be accommodated by the receiving state for a student transferring in his or her Senior year, then the provisions of Article VII, Section C shall apply.

C. Transfers during senior year. Should a military student transferring at the beginning or during his or her senior year be ineligible to graduate from the receiving local education agency after all alternatives have been considered, the sending and receiving local education agencies shall ensure the receipt of a diploma from the sending local education agency, if the student meets the graduation requirements of the sending local education agency. In the event that one of the states in question is not a member of this compact, the member state shall use best efforts to facilitate the on-time graduation of the student in accordance with Sections A and B of this Article.

ARTICLE VIII

STATE COORDINATION

A. Each member state shall, through the creation of a State Council or use of an existing body or board, provide for the coordination among its agencies of

representative from a military installation, one representative each from the
legislative and executive branches of government, and other offices and stakeholder
groups the State Council deems appropriate. A member state that does not have a
school district deemed to contain a high concentration of military children may
appoint a superintendent from another school district to represent local education
agencies on the State Council.

B. The State Council of each member state shall appoint or designate a
military family education liaison to assist military families and the state in
facilitating the implementation of this compact.

C. The compact commissioner responsible for the administration and
management of the state's participation in the compact shall be appointed by the
Governor or as otherwise determined by each member state.

D. The compact commissioner and the military family education liaison
designated herein shall be ex-officio members of the State Council, unless either is
already a full voting member of the State Council.

ARTICLE IX

INTERSTATE COMMISSION ON EDUCATIONAL
OPPORTUNITY FOR MILITARY CHILDREN

The member states hereby create the "Interstate Commission on Educational
Opportunity for Military Children." The activities of the Interstate Commission are
the formation of public policy and are a discretionary state function. The Interstate
Commission shall:

A. Be a body corporate and joint agency of the member states and shall have
all the responsibilities, powers and duties set forth herein, and such additional powers
as may be conferred upon it by a subsequent concurrent action of the respective
legislatures of the member states in accordance with the terms of this compact.

B. Consist of one Interstate Commission voting representative from each
member state who shall be that state's compact commissioner.

   1. Each member state represented at a meeting of the Interstate Commission
   is entitled to one vote.

   2. A majority of the total member states shall constitute a quorum for the
   transaction of business, unless a larger quorum is required by the bylaws of the
   Interstate Commission.

   3. A representative shall not delegate a vote to another member state. In the
   event the compact commissioner is unable to attend a meeting of the Interstate
   Commission, the Governor or State Council may delegate voting authority to another
   person from their state for a specified meeting.

   4. The bylaws may provide for meetings of the Interstate Commission to be
   conducted by telecommunication or electronic communication.

C. Consist of ex-officio, non-voting representatives who are members of
interested organizations. Such ex-officio members, as defined in the bylaws, may
include but not be limited to, members of the representative organizations of military
family advocates, local education agency officials, parent and teacher groups, the
United States Department of Defense, the Education Commission of the States, the

meetings and, upon the request of a simple majority of the member states, shall call
additional meetings.

E. Establish an executive committee, whose members shall include the
officers of the Interstate Commission and such other members of the Interstate
Commission as determined by the bylaws. Members of the executive committee shall
serve a one year term. Members of the executive committee shall be entitled to one
vote each. The executive committee shall have the power to act on behalf of the
Interstate Commission, with the exception of rulemaking, during periods when the Interstate Commission is not in session. The executive committee shall oversee the day-to-day activities of the administration of the compact including enforcement and compliance with the provisions of the compact, its bylaws and rules, and other such duties as deemed necessary. The United States Department of Defense shall serve as an ex-officio, nonvoting member of the executive committee.

F. Establish bylaws and rules that provide for conditions and procedures under which the Interstate Commission shall make its information and official records available to the public for inspection or copying. The Interstate Commission may exempt from disclosure information or official records to the extent they would adversely affect personal privacy rights or proprietary interests.

G. Give public notice of all meetings and all meetings shall be open to the public, except as set forth in the rules or as otherwise provided in the compact. The Interstate Commission and its committees may close a meeting, or portion thereof, where it determines by two-thirds vote that an open meeting would be likely to:

1. Relate solely to the Interstate Commission's internal personnel practices and procedures.
2. Disclose matters specifically exempted from disclosure by federal and state statute.
3. Disclose trade secrets or commercial or financial information which is privileged or confidential.
4. Involve accusing a person of a crime, or formally censuring a person.

H. Shall cause its legal counsel or designee to certify that a meeting may be closed and shall reference each relevant exemptible provision for any meeting, or portion of a meeting, which is closed pursuant to this provision. The Interstate
Commission shall keep minutes which shall fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, and the reasons therefore, including a description of the views expressed and the record of a roll call vote. All documents considered in connection with an action shall be identified in such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release by a majority vote of the Interstate Commission.

I. Shall collect standardized data concerning the educational transition of the children of military families under this compact as directed through its rules which shall specify the data to be collected, the means of collection and data exchange and reporting requirements. Such methods of data collection, exchange and reporting shall, in so far as is reasonably possible, conform to current technology and coordinate its information functions with the appropriate custodian of records as identified in the bylaws and rules.

I. Shall create a process that permits military officials, education officials and parents to inform the Interstate Commission if and when there are alleged violations of the compact or its rules or when issues subject to the jurisdiction of the compact or its rules are not addressed by the state or local education agency. This section shall not be construed to create a private right of action against the Interstate Commission or any member state.

ARTICLE X

ARTICLE XII

RULEMAKING FUNCTIONS OF THE INTERSTATE COMMISSION

A. Rulemaking Authority. The Interstate Commission shall promulgate
reasonable rules in order to effectively and efficiently achieve the purposes of this
Compact. Notwithstanding the foregoing, in the event the Interstate Commission
exercises its rulemaking authority in a manner that is beyond the scope of the
purposes of this Act, or the powers granted hereunder, then such an action by the
Interstate Commission shall be invalid and have no force or effect.

B. Rulemaking Procedure. Rules shall be made pursuant to a rulemaking
process that substantially conforms to the "Model State Administrative Procedure
may be appropriate to the operations of the Interstate Commission.

C. Not later than thirty (30) days after a rule is promulgated, any person may
file a petition for judicial review of the rule; provided, that the filing of such a
petition shall not stay or otherwise prevent the rule from becoming effective unless
the court finds that the petitioner has a substantial likelihood of success. The court
shall give deference to the actions of the Interstate Commission consistent with
applicable law and shall not find the rule to be unlawful if the rule represents a
reasonable exercise of the Interstate Commission's authority.

D. If a majority of the legislatures of the compacting states rejects a Rule by
enactment of a statute or resolution in the same manner used to adopt the compact,
then such rule shall have no further force and effect in any compacting state.
ARTICLE XIII

OVERSIGHT, ENFORCEMENT, AND DISPUTE RESOLUTION

A. Oversight.

1. The executive, legislative and judicial branches of state government in each member state shall enforce this compact and shall take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

2. All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of this compact which may affect the powers, responsibilities or actions of the Interstate Commission.

3. The Interstate Commission shall be entitled to receive all service of process in any such proceeding, and shall have standing to intervene in the proceeding for all purposes. Failure to provide service of process to the Interstate Commission shall render a judgment or order void as to the Interstate Commission, this compact or promulgated rules.

B. Default, Technical Assistance, Suspension and Termination. If the Interstate Commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact, or the bylaws or promulgated rules, the Interstate Commission shall:

1. Provide written notice to the defaulting state and other member states, of the nature of the default, the means of curing the default and any action taken by the Interstate Commission. The Interstate Commission shall specify the conditions by which the defaulting state must cure its default.

2. Provide remedial training and specific technical assistance regarding the default.

3. If the defaulting state fails to cure the default, the defaulting state shall be terminated from the compact upon an affirmative vote of a majority of the member states and all rights, privileges and benefits conferred by this compact shall be terminated from the effective date of termination. A cure of the default does not
relieve the offending state of obligations or liabilities incurred during the period of
the default.

4. Suspension or termination of membership in the compact shall be imposed
only after all other means of securing compliance have been exhausted. Notice of
intent to suspend or terminate shall be given by the Interstate Commission to the
